APEX
An OHI Company

Apex Foot Health Industries was founded upon one mission: to be the industry leader in designing and manufacturing the highest quality footwear and to extend patient outcomes and improve lives.

For 75 years, our meticulous fabrication process has only improved, leading us to develop a standard of excellence in every shoe we make:

Superior Quality, Construction, Adjustability, Fit, Functionality and Protection

Our footwear must meet the gold-standards that continue to make Apex the trusted brand of choice for you and your patients, over generations.

With trust comes responsibility and a steadfast dedication to explore and invest in the latest research, development, design features, materials, construction and manufacturing technologies.

Improving quality and consistency is only possible with the feedback from our loyal customers. It is these partnerships that help us strengthen the DNA of our products through a mutual endeavor to provide better quality care, comfort and relief for more people.

Thank you for being a valued customer and for helping Apex continue to fulfill our mission.

WOMEN'S FOOTWEAR

Apex Women's active footwear styles are constructed to offer midfoot and rearfoot stability, pressure relief to the calcaneus, and shock attenuation for the foot and musculoskeletal system. The multiple removable layers, soft linings and wide last design offer protection, fitting flexibility, and the accommodation of orthotics and shoe modifications. Often recommended for people with diabetes, arthritis or anyone seeking shoes for maximum comfort.
